Tree Sponsorship Information:

- Sponsorship includes (1) 6'-0" to 7'-0" Pine tree and colored LED Lights. If you wish to add additional lights they must be LED, and **cannot flash/blink/dance!** The trees will be available to decorate the week of November 22nd. All trees must be decorated completely by December 1st. Once all trees are decorated the public will vote and a "People's Choice" Winner will be Crowned!
- You may pick up the number to your tree's location and LED lights at Maher/Highland Feed and Supply in Downtown Highland Station the week of November 22nd.
- Decorations **MUST** be tied or wired securely to your tree to resist high winds, rain, snow and vandalism. Regular ornament hangers do NOT work. All décor must be "family friendly" items.
- Cut off for applications is Friday November 20th 2020.
- All decorations and lights must be retrieved by January 4th so the Highland Downtown Development Authority can dispose of the trees environmentally.

I have read and understand the rules and guidelines for sponsoring a tree at the Festival of Tree's Event.
